Hi Art,

See my slides below. I thought Ken was going to cut and paste them into his presentation but since he didn't don't want them to get lost.

Hi Ken, Caren and Erin,

See attached for my 303(d) listing 101 slides. Let me know if you would like to see any edits made. Otherwise just slide them in to the overall presentation.

Greetings,

I am forwarding two items that may be useful for the pre-meet this morning.

The SJTSP WQ Outline is the same outline I sent out a couple weeks ago (no changes because I have received no comments).

The Landau_SJR_Accord_Oct2012.pptx is my draft PowerPoint up to this point. It is currently at 41 boring slides, with place holders for the 303(d) and FERC 401 Cert discussions. I hope to put in some pictures and graphs that will enliven the PowerPoint a bit, but haven't wanted to do that until after this meeting.

Ken
